

Retraction notice to "Homotopy Perturbation Method based on Orthogonal Polynomials" [IJNS Vol. 12 (2), 2011, pp. 205–213]

S. R. Fayyaz Behrooz<sup>1</sup>, Ghodrat Ebadi<sup>2</sup> \*

<sup>1</sup>Islamic Azad University, Osku Branch, Osku - Iran

<sup>2</sup> Faculty of Mathematical Sciences, University of Tabriz, Tabriz, 51666-14766, Iran

*(Received 30 April 2011, accepted 29 July 2011, published 15 October 2011, retracted 24 November 2014)*

The editorial office of International Journal of Nonlinear Science received a notification that the paper by S. R. Fayyaz and Ghodrat Ebadi entitled "Homotopy perturbation method based on orthogonal polynomials" which appeared in IJNS Vol. 12 (2), 2011, pp. 205–213, IJNS, is essentially identical to the paper with the same title and by the same authors which appeared in 14 (3), 2011, PP. 307-318 , Proceedings of the Jangjeon Mathematical Society .

The Editorial Board takes a serious view of acts of plagiarism in the journal and is committed to take all necessary steps to prevent such acts.
